

THE APPLICATION FOR PERMISSION TO CHANGE THE POINT OF DIVERSION AND PLACE OF USE OF WATER ALREADY APPROPRIATED.

\*\*\*\*\*

To the State Engineer of the State of Nevada,  
Carson City, Nevada.

The undersigned, John G. Taylor, of Lovelock, Nevada, acting in this behalf by W. C. Noteware, Attorney-in-Fact, whose postoffice address is Lovelock, Humboldt County, Nevada, hereby makes application to the State Engineer for permission to change the place of diversion of the waters of the Humboldt River in said Humboldt County, which have been heretofore appropriated and used by him, as hereinafter stated, and in that behalf shows:--

FIRST:--That your applicant and his predecessors in interest have for over forty-nine years last past beneficially used and appropriated the waters of the said Humboldt River and during all of said period have, by means of dams and ditches, conveyed said waters upon lands occupied, possessed and cultivated by them, and there used the same for the purpose of irrigation on the said lands, and for raising crops of hay and other farm products thereon.

SECOND:--That the lands so possessed, cultivated and irrigated by him are situate along and near the Humboldt River and are in sections 35, 34, 27, 38, 21, 20, 17, 18 and 19 of Tp. 36 N. R. 40 E., and sections 1, 2, 11, 12, 13 and 14 of Tp. 36 N., R. 39 E. M.D.B. & M. and the point of diversion at which said waters have been so diverted by said dam and ditch are situate on the said Humboldt River at a point in the SW $\frac{1}{4}$  of Sec. 25, Tp. 36 N. R. 40 E.

THIRD:--That the use of said waters by applicant and his predecessors have during all of said period of over forty-nine years been open, notorious under claim of right, adversely to all the world and prior to all persons, and that claimant now has and owns the exclusive prior right to the use of all the waters heretofore conveyed in said ditch.

FOURTH:--That the applicant desires to change his place of diversion of the waters of said Humboldt River, and to divert said water at a point in the NW $\frac{1}{4}$  of Section 35, T. 36 N. R. 40 E., and by means of a dam and ditch to convey said water of the said river across sections 35, 34, 33, 28, 29, 32, 19 and 30 of Tp. 36 N. R. 34 E. and sections 25, 24, 26, 23, 14, 15, 10, 11, Tp. 36 N. R. 39 E. M.D.B. & M. to the following described lands which it is now proposed to irrigate. Parts of sections 18, 19, 20, 28, 29, 30, 32, 33, 34 and 35 of Tp. 36 N. R. 40 E. and parts of sections 11, 13, 14, 23, 24, 25, 26 of Tp. 36 N. R. 39 E. and to make use of all the waters heretofore appropriated in the irrigation of the said lands.

The estimated time required to construct the said works is two years, and the estimated cost of the said works is \$50,000.00 A map of the lands heretofore irrigated, and of the present ditch, and a map of the proposed ditch and the lands to be irrigated therefrom, are attached hereto and made a part of this application.
